Each technician is an independent contractor for hire, and any legal understanding exists between the technician and their client, independent of The Embroidery Coach. While The Embroidery Coach does not endorse or promote any technician over another, we do welcome the customer feedback that you provide, in order to enable our customers to share their experience with others. To share the experience you have had with one of the technicians listed, please contact us theembroiderycoach@gmail.com.

If you are a machine technician interested in becoming part of our Tech Program, please contact us.
